“ Dave & I grew up together, we were next door neighbors. He was 9 months older than me, so he was probably my very first friend. We used to swim in each other's backyard pools, ride bikes together, play in the prairie together & catch garden snakes! We use to build forts & play in the basement together, shoot pool together. We had a regular pool table at our house & he had a bumper pool table. I never knew anyone with a bumper pool table. We'd spend hours playing making up our own games on it! I used to go Smelt Fishing with him & his dad too! We've stayed in touch all these years since I live in California, but every time I came to town I'd stop by and visit. I just saw him in October 2019 when I came in for my 50th High School Reunion. I'm so glad we had one last visit!
RIP Dave & I'll always remember you!❤️❤️❤️
