“ A lifetime on earth in the endlessness of eternity is like a grain of sand on a never ending beach. No matter how small it might seem, the grain of sand has a purpose. It can reflect the warmth of the sun, hold back the tide or become a beautiful sand castle. No matter how brief it may seem, a life on earth has purpose. It can relect the warmth of God's love, hold back the forces of evil, and become a part of His glorius kingdom forever. You and your family are in our prayers.###imported-begin##Ken and Lin Loos ##imported-end##

“ I'm going to miss you so much dad, you are the best father anyone could ever wish for, such a great man, I know now you're not in pain anymore. Just know we were there and we always will be, just as you.

I love you Dad

I'll see you on the other side. Like you wanted, I will stay strong.

“ *Dear Melanie and family, My heart is full of sadness for you and
your family. It is very difficult to lose your husband. You feel so lost
and empty but your darling Jim will watch over you. Have faith and
try to keep busy and surely God and your friends will help you with
your grief. Never stop talking about him. Sincerely, Marylyn Ahlfeld
(mother of James who left us June 5th).###imported-begin##Marylyn
